THIS second edition of the Shrewsbury School Register, though more full and complete than the first, published ten years ago, is still far from perfect. For this two reasons are pleaded. Firstly, the neglect of Dr. Kennedy to keep a Register, and secondly, the fact that Dr. Butler generally considered one Christian name was enough to put down when a boy entered the school. This has in several cases caused great difficulty in identification. Dr. Butler, too, sometimes altogether omitted a name. A somewhat cursory comparison of School Lists with his Register discovered at least six so treated between 1831 (when the lists commenced) and 1836.

Besides the Registers here printed there are two volumes extant covering the years 1562 to 1664. Of these the late Dr. Calvert published the first dating from December 28, 1562, to Sept. 8, 1635, and the late Rev. G. W. Fisher copied and annotated all later extant lists to 1836, his MSS. being now in the School Library.

A search in the Admission Registers of the other Cambridge Colleges would have added largely to the list given on p. 373, and an examination of the files of local newspapers would, no doubt, have made it possible to carry back the Cricket and Football Teams much further than is done in the following pages. But this the Editor was unable to do. Perhaps some future Editor may be more fortunate.

Special acknowledgement of generous and willing help should be made to Messrs. H. B. Vaisey and E. M. Craven for revising the MSS. of their school days; to the Revs. A. O. James and E. A. Sandford, Commander R. Jukes-Hughes, and Messrs. E. Ackroyd, J. C. G. Foulkes, Harrop Harrison, P. A. Scratchley, J. T. Twist, F. S. Whitcombe, and J. Walmsley for much valuable information; and last, but certainly not least, to Messrs. A. F. Chance and T. E. Pickering for carefully revising the proof-sheets from beginning to end. In fact, these last two names ought rightly to appear as co-editors with myself.

J. E. AUDEN.

¹ Dr. Kennedy unfortunately kept no register of boys entering Shrewsbury. The entrances 1836-45 have been discovered by comparing the annual prize or school lists. As these are in most cases destitute of initials, there must necessarily be many mistakes, and probably many omissions in this Register. This will be especially the case with the years 1840-5 inclusive, for no School List was published with the Prize Exercises of 1840, and only the names of those who gained Prizes and Certificates with those of 1841-5. It was, however, possible to partially fill up these years from the two MS. School lists (kindly lent by the late Rev. F. J. Poynton) bearing the dates December 1841, and May 20, 1842.

Notes to the Royal Shrewsbury School Hunt.

The Officials of the R.S.S.H from Jan. 1832 to Jan. 1836, are from Sir Henry Dryden's notes in the School Library.

The earliest run recorded in the existing Hound Books is in Sept., 1842, but in that on Oct. 29, 1842, the pack "met the Greyhound Coach which has been the case for the last 3 seasons," and the season of 1843 is described in the account of the last run "as unequalled in the memory of any of us; on no previous season," &c. So there was no break between Sir Henry Dryden's days and 1842. In the *Salopian* of May, 1880 (p. 104), mention is made of an O.S. who entered Shrewsbury in July, 1819, and who, before leaving, was presented by 300 boys at a dinner at the Old Castle Inn with a silver mounted hunting crop for his services as Huntsman, his Whips also receiving a like testimonial; and in the *Salopian* of Nov., 1895, is an account of two runs in 1831. Originally there seems to have been a Spring as well as an Autumn season. (cf. "Remarks on the season ending March 30, 1844," in the *Hound Book*).

- 1834 Mr. J. R. Clementi left before the end of the Half, and in consequence Mr. T. B. Trowbridge became Huntsman, Mr. G. Nugee, Senior, and Mr. L. M. Sunderland, Junior Whips. In December, 1834, the first recorded Steeplechase was run from Berwick Gates to the Fox on the Chester Road, and was won by L. M. Sunderland.
- 1842 Mr. E. Tyley was Junior Whip in five runs, in the other five going as Fox. Mr. J. Sherwen took his place in three, and Mr. W. H. Wilkinson in the other two. Mr. F. Parker was "Kennel Huntsman" this season.
- 1843 Mr. M. Hartley was "Kennel Huntsman."
- 1845 Mr. M. Hartley, Junior Whip, went home after four runs, and Mr. H. Barkworth acted in his place.
- 1846 Mr. Brock was "Kennel Huntsman," and acted as Junior Whip for half the season owing to the illness of the Huntsman, Mr. G. B. Morley.
- 1851 Owing to the illness of Mr. H. M. Luckcock, Mr. E. Simpson acted as Junior Whip in four runs.
- 1853 "Mr. S. Butler was Huntsman for the season of 1853, but was incapacitated by illness, and Mr. Wickham reigned in his stead." (Note in *Hound Book* of 1859). A Junior Pack, of which the Junior Steeplechase is the sole surviving relic, was started in 1853 and existed till 1861. This year also seems to have been the one in which the Gentleman's "Run in" was instituted.
- 1854 At the Hound Slay on Dec. 10, 1854, Mr. J. R. Baker was elected Huntsman for the next season, Mr. J. Riddell, Senior, and Mr. G. Macfarlan, Junior Whips, but the first two left before its commencement.
- 1856 In this year the runs were "legalised" as a school institution by Dr. Kennedy; up to this he had tolerated without sanctioning them.
- 1859 Messrs. Hilleary, Rees, and Davies left at Michaelmas.
- 1860 Messrs. Draper (acting Huntsman on account of Mr. Gleadowe's illness), W. Whitworth (acting Senior Whip), and C. Phillips (acting Junior Whip) left at Michaelmas. Mr. J. E. L. Shadwell generally acted as Junior Whip after their departure.
- 1861 Mr. Gleadowe left at Michaelmas.
- 1863 Messrs. F. Gunton and G. T. Hall left at Michaelmas.
- 1864 Messrs. Craig and Eyton left at Michaelmas.
- 1865 Messrs. Stevens, Meara and Wagstaff left at Michaelmas; Mr. Rowe, when the school broke up owing to illness, a fortnight before the end of the term. Mr. J. S. Phillips,

- the succeeding Huntsman, took three runs the next term.
- 1866 Mr. Whitaker left at Michaelmas.
- 1873 Mr. Twist, Junior Whip, was, owing to indisposition, only able to go two runs. His place in the other nine was taken by Mr. S. J. Weyman.
- 1874 This year the Boarder and Day Boy packs were united.
- 1882 The first season at the new Schools and over a new country, the "Long" being the only old run retained.
- 1888 Mr. J. C. H. Bowdler, Senior Whip, owing to illness, was unable to go several runs, and Mr. F. S. Keysell acted as Junior in his absence.
